Fall 2017

Dear parishioners,

The Christian faith has existed for nearly two thousand years. Founded upon the death and resurrection of Jesus of Nazareth at Jerusalem, the faith has spread far and wide — even to the prairie of Illinois and the Mississippi River valley. We strive to cherish the history of the faithful people who have handed on the faith to us. We seek to recognize the life-changing beauty of this gift we have received. We resolve to hand on this most precious gift to younger generations, including those yet to be born.

At the core of our faith is the wonder of the Word Made Flesh. The Son of God chose to love human beings by becoming human himself. It seems that human beings need to be loved in this most dramatic way. From the Annunciation on March 25 to the Nativity of the Lord nine months later, we contemplate the love which moved the Son of God to be utterly vulnerable in this sinful, broken world. As the phases of the lunar timekeeper unite Christians with the Passover of our forebears, we celebrate the precious death and glorious resurrection of Jesus, truly God and truly human, into whose death and rising we are incorporated through baptism.

We Catholic Christians define ourselves by our presence at the weekend Eucharists of Sunday (which includes the extended "useful" time of Saturday afternoon and evening, during which "Evening Prayer One" of Sunday is also celebrated). We do not lightly excuse ourselves from our Sunday celebration of the Body and Blood of the risen Lord. We seek to celebrate in ways which build up our faith and help us to imagine how God's Kingdom can be more fully alive, here and now.

This Directory comes to us thanks to the hard work of the staff serving St. James and St. Jerome Parishes and the generosity of our advertisers. May it be for us something other than mere speculative reading about some abstraction. May it be a frequently-consulted tool for growing more fully into local Catholic Christian community.

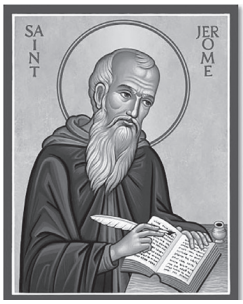
Saint James

Saint James "the Greater" (feast July 25) was the brother of John the Evangelist. James is described as one of the first disciples to join Jesus. Matthew and Mark state that James and John were with their father Zebedee by the seashore when Jesus called them to follow him. James was one of only three apostles whom Jesus selected to bear witness to his Transfiguration. The mother of James and John asked Jesus to seat these sons of hers at his right and his left upon coming into his kingdom; as we know, Jesus had to disabuse her and them of their inadequate understanding of the kingdom he was establishing. James and his brother wanted to call down fire on a Samaritan town, but were rebuked by Jesus (Lk 9: 51-56); such a response seems to be an aspect of personality which won James and John the collective nickname Boanerges, meaning "Sons of Thunder." The Acts of the Apostles records that "Herod the king" (traditionally identified with Herod Agrippa I, 11 B.C. – A.D. 44) had James executed by the sword (Acts 12: 1-2). He is the only apostle whose martyrdom is recorded in the New Testament. He is, thus, traditionally believed to be the first of the twelve apostles martyred for the faith. The great church of Santiago (which means "Saint James") de Compostela, Spain, is dedicated to this apostle and is a renowned place of pilgrimage.

James is an English form of the name borne by the patriarch whom we know as Jacob or Israel. As Wikipedia explains: "James is the (Vulgar/ Later Latin) form of the Hebrew name Ya'aqov (known as Jacob in its earlier Latin form). The name James came into the English language from the Old French variation James of the late Latin name Iacomus. This was a Vulgar/ Later Latin (proto-Romance) variant of the earlier Latin form Iacobus, from the New Testament Greek (Iákobos), from Hebrew (Ya'aqov) (Jacob). The development Iacobus > Iacomus is likely a result of nasalization of the o and assimilation to the following b (i.e., intermediate *Iacombus) followed by simplification of the cluster mb through loss of the b."



Saint Jerome

Saint Jerome (c. 347 – September 30, 420; memorial September 30) is best known for his translation of most of the Bible into Latin (the translation that became known as the Vulgate), and his commentaries on the Gospels. Eusebius Sophronius Hieronymus (Jerome is the English version of Hieronymus) was born at Stridon (which could have been in the modern territory of Croatia, Slovenia, or Bosnia) around 347. He was not baptized until about 360–366, when he had gone to Rome with his friend Bonosus to pursue rhetorical and philosophical studies. He studied under the grammarian Aelius Donatus. There Jerome learned Latin and at least some Greek. Although initially skeptical of Christianity, he was eventually converted. After several years in Rome, he travelled with Bonosus to Gaul and settled in Trier. Next came a stay of at least several months, or possibly years, at Aquileia. In 373 on a journey through Thrace and Asia Minor into northern Syria, he became seriously ill at Antioch, and resolved to lay aside his secular studies and devote himself to God. Seized with a desire for a life of ascetic penance, he went for a time to the desert of Chalcis, to the southeast of Antioch. Returning to Antioch in 378 or 379, he was ordained by Bishop Paulinus, apparently unwillingly and on condition that he continue his ascetic life. Soon afterward, he went to Constantinople to pursue a study of Scripture under Gregory Nazianzen. He seems to have spent two years there, then left, and the next three (382–385) he was in Rome again, as secretary to Pope Damasus I and the leading Roman Christians. He was given duties in Rome, and he undertook a revision of the Latin Bible, to be based on the Greek manuscripts of the New Testament. He also updated the Psalter containing the Book of Psalms then at use in Rome based on the Septuagint (a Jewish translation of the Old Testament into Greek). Though he did not realize it yet, translating much of what became the Latin Vulgate Bible would take many years and be his most important achievement. In August 385, he left Rome for good and returned to Antioch. He traveled to Alexandria, but late in the summer of 388 he was back in Palestine, and spent the remainder of his life in a hermit's cell near Bethlehem, leading a life of incessant activity in literary production. It is recorded that Jerome died near Bethlehem.

Saint Jerome Parish History

St. Jerome Parish was established in 1870, with Masses celebrated in a small, rented hall above the former Burk's Blacksmith Shop, on the corner of Clay Street and Staunton Road. In 1883, Rev. A. Kersting, Assistant Pastor of St. Paul's in Highland, built the first church at 209 Staunton Road. The parish traces its current location back to 1892 when Rev. Oberdoester, who was appointed the first resident priest and pastor of St. Jerome, bought 12 lots from the Highland Brewery Company on Main Street. The church was then moved from its Staunton Road site to the South Main Street property, and a rectory was built at a cost of $1,584.

Under the leadership of the second pastor, Rev. August Foster, the cornerstone of a new church was laid on Thanksgiving Day, 1895, and the church was dedicated in 1896. It was a brick church, which was later razed in 1986 when the current church was under construction. In 1895, there were 22 families at St. Jerome Parish in Troy, and 33 at its mission church, St. John the Baptist in Blackjack.

In 1899, Rev. A. Wieneke was appointed pastor, and he remained until September 1914. From September 1914 until July 1920, St. Jerome had four assigned pastors: Revs. B. Montrushio, C.T. Stolze, William A. Pachelhofer and A. M. Jaschke. In 1920, Rev. J. J. Klaes was appointed pastor, and during that year, St. Jerome Grade School was closed. In 1928, Rev. Klaes was succeeded by Rev. George Hobbs, who served St. Jerome and St. John the Baptist for 19 years. In 1946, Rev. Joseph V. Dineen became pastor, and he served the community for 34 years.

While he was pastor, Father Dineen made much-needed repairs and renovations to the church, and in the 1960s, he implemented many changes brought about by the Second Vatican Council.

On July 1, 1980, Rev. Donald Knuffman began serving as pastor of St. Jerome and St. John the Baptist. At that time, the city of Troy was expanding with projections for further growth, and it was clear that St. Jerome needed to expand, too. Groundbreaking for a new church, which is our present facility, was held on May 7, 1986, and the first Mass in the new church was celebrated on June 7, 1987. The formal dedication was October 4, 1987.

In May 1990, Rev. R. Dean Probst became pastor of St. Jerome Church, and he served the community until February 1996. Changing demographics in the rural Blackjack community and the growing city of Troy created the necessity for a new relationship between the churches, and on April 5, 1992, St. John the

Baptist Parish was consolidated with St. Jerome Parish. Since then, St. John the Baptist Church has been known as St. John the Baptist Chapel.

On February 27, 1996, Rev. Steven Janoski became pastor of St. Jerome Parish. Around that time, further developments emerged between St. Jerome and St. John the Baptist. On May 2, 1996, the Troy Knights of Columbus Council #9266 purchased the Blackjack property from the Diocese, which enabled the Knights to have an established location for their council meetings and events, a location with much historical significance for the Troy and Blackjack communities. Following this transaction, in accord with Church law, Bishop Daniel Ryan of Springfield Diocese of Illinois directed the suppression of St. John the Baptist on July 1, 1996. Bishop Ryan issued a decree to relegate St. John the Baptist Church to "profane but not sordid use," in accord with canon 1222.2, meaning it is a secular building and not to be used as a church. More recently, in September 2009, the Troy Knights of Columbus established the "St. John the Baptist Chapel Foundation" in order to raise funds to maintain and renovate the church.

Following Rev. Janoski, Monsignor Virgil Mank became pastor at St. Jerome in July 2004 and served until his retirement in June 2009. He was succeeded by Fr. Pat Jakel, who began serving as pastor of St. Jerome on July 1, 2009, additionally serving as pastor of St. Elizabeth in Marine; St. James in St. Jacob; and St. Gertrude in Grantfork from 2013-2015. In July 2015, Fr. Pat began his new assignment as pastor of St. Paul in Highland. On July 1, 2015, Fr. Alan Hunter began serving as pastor of St. Jerome in Troy; St. Elizabeth in Marine; and St. James in St. Jacob, along with serving as canonical administrator of St. John Neumann.

History of St. James Parish

The topic of establishing a parish church was frequently discussed among the Catholics of St. Jacob from the 1870s. Due to the scarcity of parish priests, it was postponed. Nearly 25 years passed and the subject almost faded away as St. Paul's Church, Highland, provided for the religious education of the children.

In July 1893, Sophie Beeli, of New Orleans, Louisiana, offered a furniture store building at the south end of Douglas Street as a temporary church. Sophie's parents lived in St. Jacob. Father Joseph Meckel, pastor of St. Paul's Church, accepted the offer. In her childhood, Sophie attended Catholic school even though she and her parents were not Catholic. While in New Orleans, she joined the Catholic Church and later became a Sister of Charity.

Services for 30 families were held in the temporary church. Looking to the future, Father Meckel bought six lots from Pauline and Leonard Adler for $250. Using the salvageable material from the store building, the new church construction began in May 1894 and was completed on July 18, 1894 with the blessing of the church bell. On July 25, Father Meckel solemnly dedicated the new church and the consecrated bell under the name of St. Jacobus (St. James the Greater). The small church was filled to capacity with visiting priests and families of the parish, as Father Degenhardt, Dean of the Alton Deanery of the Springfield Diocese, celebrated Solemn High Mass. Church construction costs amounted to $1777.70 and furnishing costs $610.80 for a total of $2,388.50. After fifteen years of holding festivals for the parish, the debt was paid in full.

In 1908, the name St. Jacobus was anglicized to St. James the Greater. Beginning on March 1, 1932, Mass was celebrated every Sunday instead of twice monthly. The Sacrament of Confirmation was administered for the first time at St. James on May 18, 1952, by Bishop William A. O'Connor, to nine children and two adult converts.

In 1958, a campaign began for a new church building. Construction began in 1968 on a new multi-purpose building south of the old church. The final cost for the new church, with furnishings, was $66,000 with a seating capacity of 220. The church was dedicated by Bishop O'Connor on Sunday, January 26, 1969, with Mass. In October 1978, the final check was sent to the Chancery Office and the debt was paid off.

On May 21, 1983, the Reverend John Hess, son of Fred and Matilda Hess, was ordained to the priesthood in St. Louis, Missouri. He celebrated a Mass of Thanksgiving at St. James, Sunday, May 29, 1983.

As of October 6, 1987, St. James Parish was no longer a mission parish of Highland St. Paul. Father Larry Boehler was appointed pastor of St. James with his two other parishes of Marine St. Elizabeth and Grantfork St. Gertrude.

The following priests have served at St. James Church: 1895-96, Fr. Joseph Meckel; 1896-1903, Fr. August Schlegel; 1903-11, Fr. Ferdinand Stick; 1911-19, Fr. John H. Grampke; 1919-28, Fr. Joseph DeChene; 1928-43, Fr. August Hohl; 1943-70, Monsignor William B. Whalen; 1970-81, Msgr. Lawrence Wiskirchen; 1981-86, Fr. Martin Mangan; 1987-92, Fr. Larry Boehler; 1992-93, Fr. J. William Houran; 1993-94, Msgr. Virgil Mank, Administrator, with sacramental help from Fr. John O'Neill, S.S.J., and Frs. Tom Shaughnessy and Nathan McNally, O.F.M.; 1994-96, Fr. Sylvano Pera, O.F.M.; 1996-2007, Fr. James Flach; 2007-10, Msgr. Kenneth Steffen; 2010-11, Fr. Pat Jakel, Administrator; 2011-13, Fr. Carlos Bohorquez; 2013-15, Fr. Pat Jakel; 2015-17, Fr. St. Jerome owns and operates two cemeteries – St. Jerome Cemetery, located on Troy-O'Fallon Road, and St. John the Baptist Cemetery, located on Lebanon Road. The management and operation of the cemeteries is governed through a joint venture of parish staff and a cemetery board, composed of parishioners. Maintenance and landscaping for the cemeteries are also performed by the parish. Both properties have a number of plots currently available. Hours

The Order of Christian Funerals

The Church's funeral rites reflect our need to say goodbye to our loved ones and to commend them to God, as her prayers accompany the deceased beyond this life. There are three parts to a Catholic funeral:

The Vigil typically takes place the night before the funeral. Here, family and friends gather to "be with" and "watch over" the body of the deceased. This is a Scripture service providing an opportunity to speak lovingly in memory of the departed. It also allows well-wishers to offer their condolences to the family. The vigil may take place in a funeral home or in the church.

The Funeral Liturgy entails bringing the body of the deceased to the church, where the celebration of the Eucharist reveals the presence of Christ's own passion, death, and resurrection. Just as the deceased was welcomed into Christ's family through baptism and nourished in the Church through the sacraments, so now the body is brought to the church a final time as the Church prays for the gift of eternal life. If special circumstances require it, a funeral can also be celebrated outside of Mass in the church or at the funeral home.

The Rite of Committal commends the body of the deceased to the earth, to keep it until the day of the resurrection. After the burial, we do not forget our loved ones. Indeed, we honor them by praying for them, visiting their graves, requesting that Masses be offered for the repose of their souls, and remembering them in prayer, particularly on All Souls' Day, November 2.

Cremation, if chosen, should ordinarily take place following the funeral Mass, and the cremated remains are then entombed or buried in the same dignified way that the body would be. The Church also permits the celebration of the funeral Mass in the presence of the cremated remains; however, they must always be honored with the same reverence and respect as the body. Funeral planning can be done ahead of time by contacting the parish office.

Upon the death of a loved one, contact the parish office so that staff can meet with the family to prepare for the Order of Christian Funerals. We will walk with you through planning of the Vigil, the Funeral Liturgy, and the Committal/Burial. The date and time of the funeral liturgy depends on the availability of the church and the priest or deacon who will preside. The pastor or deacon of St. Jerome Church is the proper minister of a funeral. Other priests or deacons are invited to concelebrate and, upon permission of the pastor, may preside.

The Rite of Christian Initiation of Adults (RCIA)

The RCIA process is designed for those who are seven years old through adulthood, who have never been baptized, or were baptized but uncatechized, or were baptized Catholic but have not completed initiation through the usual process.

The process typically begins with an initial interview with the Pastor and the Pastoral Associate for Faith Formation or RCIA team member. The Pastoral Associate for Faith Formation is responsible for all faith formation processes. See also page 28.

Sacraments of Initiation for Children

Criteria/Requirements for Sacraments/Sacramental Preparation:

These Sacraments, each with its distinct preparation process, are listed below in the order they are normally received at St. Jerome Parish. Therefore it is necessary for a candidate to be baptized before receiving the Sacraments of Reconciliation and Eucharist, with Confirmation being the last Sacrament of Initiation.

To become candidates for these Sacraments (First Penance, First Eucharist, and Confirmation), the following criteria must be met:

1. Regular participation in weekend Mass.
2. Participating in the parish stewardship process (time, talent and treasure) according to age and ability.
3. Successful completion of an entire year of a parish faith formation program (PFF, Parochial School, or HFF) and be currently enrolled and participating in one of them.

Preparation requirements will include:

1. Mandatory preparation sessions for parents, particularly the Catholic parent(s).
2. Periodic liturgical ritual celebrations within the weekend Mass.
3. Timely completion of the parish preparation materials and any other necessary assignments.
4. Preparation Day for children and parent(s).

Baptism: The word baptism comes from the Greek language meaning "plunge" or "immerse." Through the plunge or immersion into water, the burial into Christ's death and the promised resurrection are celebrated. It is the norm that baptism at St. Jerome be celebrated following the ancient tradition of immersion.

Consent of the parents or guardians is necessary.

There must be a well-founded hope that the infant will be brought up in the Catholic faith.

A pre-baptismal preparation session is required. Sessions are scheduled 6 times throughout the year, normally on Tuesdays from 7:00-8:00 p.m., and may be completed prior to the birth of a child. Call the office in advance to register for a session. It is very important that both parents (Catholic and non-Catholic) attend these sessions. Godparents are encouraged to attend as well.

Godparents must be Catholic, at least 16 years old, and confirmed. Testimony, from the pastor of the Catholic godparent, to their active participation in the faith, is required at least two weeks prior to the date of baptism. While two (a male and a female) may be chosen, only one Catholic godparent is required. A baptized non-Catholic Christian may be chosen as a Christian witness to the baptism. This will be discussed in more detail during the pre-baptismal session.

Baptisms at St. Jerome take place within the context of weekend Mass when the community is fully gathered in prayer. St. Jerome Church requests that families be active members for at least four months prior to the baptism.

First Eucharist: Children's preparation for first reception of Eucharist begins in the home. The family has an important role in communicating the Christian and human values that form the foundation for a child's understanding of the Eucharist. We emphasize the need for parents to be actively involved in the preparation process, as they are the first teachers of their children. Parents teach informally yet powerfully by example and instruction.

Because of the communal nature of the sacraments, parents alone cannot fulfill the responsibility of initiating their children into the Eucharist. We recognize this and incorporate not only parents but also the parish staff, prayer partners, catechists, liturgical ministers, and the entire worshipping community. The preparation process at St. Jerome recognizes the diverse

but complementary roles which must be fulfilled if children are to grow in faith.

Parents and the catechist, together with the pastor, are responsible for determining when children have attained the age of reason and are ready to receive First Communion. See "criteria/requirements" above.

Confirmation: The preparation for and celebration of the Rite of Confirmation is an exciting time in the life of St. Jerome Parish community. At whatever age candidates celebrate this sacrament, many people gather to offer care and support. All, including candidates, their families, their peers, and the entire parish community, are affected and included because Confirmation is a celebration of the whole parish.

The parents are involved in preparation for Confirmation. Confirmation is celebrated with 7th and 8th grade youths, in the spring of odd-numbered calendar years (e.g., 2019) at St. Jerome Parish. See "criteria/requirements" above.

Sacraments of Initiation: Parents of children attending St. John Neumann School are to prepare them for receiving the sacraments. The parishes provide opportunities for parents to enhance their own experience of faith. Parents will be informed of parent meetings and celebrations leading up to the reception of the sacraments.

The religious curriculum of St. John Neumann will supplement this family catechesis, but will not be a substitute for it. The actual celebration of the sacraments of First Penance, First Eucharist, and Confirmation are to take place in the SJN student's home parish.

Children who have never been baptized and have reached the age of reason (usually age 7) would participate in the Rite of Christian Initiation of Adults and receive all the Sacraments of Initiation (Baptism, Confirmation and Eucharist), in one and the same celebration. Children who enroll in St. John Neumann after the age of reason (usually age 7) who have been baptized, but have had no formal religious formation would participate in the Rite of Christian Initiation of Adults and receive the remaining Sacraments of Initiation (Confirmation and Eucharist), in one and the same celebration.

The Pastoral Associate for Faith Formation is responsible for all faith formation processes.

Parish Faith Formation (PFF) Policy: Religious Formation for School-aged Children

Our parishes' religious formation efforts, aim to communicate the fullness of life in Jesus, in light of the life-giving riches of our Catholic tradition.

We offer PFF for parishioners in Pre-School, Elementary and Middle School.

All Elementary (grades K through 5), and Middle School aged students (grades 6 through 8), who do not attend a parochial school, are expected to participate in PFF or Home Study (HFF). High School students likewise have the Home Study opportunity.

Registration is held over the summer, with a fee charged to cover materials. Parents enter into a covenant with the catechists to partner for the flourishing in faith of our children.

ELEMENTARY SCHOOL

PFF for Elementary School children is held on Wednesday evenings, with a choice of 4:15-5:30 p.m. or 6:15-7:30 p.m.

MIDDLE SCHOOL

PFF for Middle School youth, designed as faith-sharing in a small Christian community, is offered on Wednesday evenings from 6:15 to 7:30 p.m. Youth Group participation is also highly encouraged (Sunday afternoons) plus special activities for prayer, community-building and service. Regular participation in Youth Group fulfills the Religious Formation aims.

HIGH SCHOOL

St. Jerome Youth Ministry includes a catechetical component on Sundays. Additionally, a Home Study format is available for those students whose schedules cannot accommodate the Sunday-scheduled Youth Ministry Program (see below).

HOME STUDY OPTION (Home Faith Formation or HFF)

Parents may choose to catechize their children at home in lieu of PFF. The Home Study materials are the same as PFF, and the process follows the schedule of PFF. Parents gather initially and periodically with the Pastoral Associate for Faith Formation to share insights, struggles, affirmations, and best practices.

Parish Families Attending St. John Neumann School

"In humble service to God, we are committed to providing the highest standard of Catholic faith formation and academic excellence for the children God has entrusted to us."

— Mission Statement of St. John Neumann Catholic School

The Parish of St. Jerome provides the opportunity for a Catholic elementary education at St. John Neumann School, the tri-parish ***(Mother of Perpetual Help in Maryville; St. Cecilia in Glen Carbon; and St. Jerome in Troy)*** Catholic School located in Maryville. The school offers two tuition rates: a parish rate and a non-parish rate.

To qualify for the parish rate the following criteria must apply at the time of registration in January:

1. You must have been registered and active* in St. Jerome Parish for at least 6 months.
2. Your children must be baptized and attending Sunday Mass with you on a weekly basis. Catholic formation in the school reinforces and supports formation through the Eucharist and faith community.
3. You must be using the offertory envelopes to contribute to the support of the parish as your means allow. A minimum of $800.00 contributed during the last calendar year is expected. Donations of time and talent are also expected to be shared with the parish and the school. Exceptions granted by the Pastor are to be renewed each year.
4. You are expected to participate in the programs of both parish and school as time permits. Participation in the major fundraisers for school and parish is mandatory.

If circumstances arise during the year, which make any of these expectations impossible, please contact the Pastor at once, so that the school can be notified. Those who do not meet the above-listed qualifications fully, and have not made other arrangements with the Pastor of St. Jerome Church, will be charged the non-parish tuition rate.

**** Active, when referring to participation in the life of the parish, is defined as follows:***

Attendance and Participation at weekend Mass.

Stewardship of Time, Talent and Treasure.

Participation in any required (parent) meetings.

Observance of the Precepts of the Church.

Other Sacraments

Marriage: The Catholic Church understands marriage to be a natural institution, built into the "natures" of men and women, prior to any consideration about one's choice of religion. Catholics are bound to celebrate marriage according to Catholic "canonical form," with the bride and groom physically present to each other; to the properly delegated bishop, priest, or deacon who asks for and receives their marriage consent on behalf of the People of God; and to two witnesses who must enjoy the use of reason and whose only function is to verify that marriage consent was exchanged. The marriage of a baptized man and woman is understood to be sacramental; marriages of at least one unbaptized party are recognized as valid but do not have a sacramental character — and are called "natural bond" marriages — until the moment that both parties are baptized.

The staff of the parishes is happy to assist couples with pastoral preparation for marriage. Since 1991, diocesan policy is that six months' notice prior to a proposed marriage date is required for a proper process of pastoral preparation. Part of the preparation is the determination of freedom to marry: that is, verifying that neither party is bound to a prior marriage or is otherwise impeded from marrying.

Further information on pastoral preparation for marriage is available on the website of the parishes, under "Parish Policies."

Anointing of the Sick: The Sacrament of Anointing of the Sick has as its purpose the conferral of grace on the Christian experiencing illness in body, mind or spirit, or difficulties in aging. This sacrament consists in the laying on of hands and in the anointing of the forehead and hands of the sick person. The anointing is accompanied by the liturgical prayer of the priest asking for special grace, which has the following effects:

- the uniting of the sick person to the passion of Christ, for his/her own good and that of the whole Church;
- the strengthening, peace, and courage to endure in a Christian manner the sufferings of illness or aging;
- the forgiveness of sins, if the sick person was not able to obtain it through the sacrament of Penance;
- the restoration of health, if it is conducive to the salvation of his/her soul;
- the preparation for passing over to eternal life.

The Sacrament of Anointing is offered at weekend Masses at St. Jerome Parish periodically throughout the year. It is also offered when the priest is called upon by the sick, aged, and those anticipating surgeries or by another person in their behalf. The priest will visit those to be anointed in their home, care facility or the hospital. Please contact the Pastor to make a request.

First Penance: First Penance introduces children to a more conscious, active participation in the sacramental life of the Church. A child's experience of first penance is a simple, but vital, beginning. The process of preparation for this sacrament is carried on in three places — the home, the parish, and with formal faith formation. Children first learn attitudes of forgiveness at home, in the family circle. There they establish patterns on which they build for the rest of their lives. Parents are involved in the preparation of their children for this sacrament so that they can affirm and reinforce frequent participation in the sacraments. See "criteria/requirements" under Sacraments of Initiation.

Dissolutions and Declarations of Nullity of Marriage

Even as we recognize the ideals we place upon marriage as a permanent institution, we know as well that, in specific circumstances, a marriage which has ended in divorce may be able to be declared not legally binding in the Church.

Catholics are bound to "canonical form" for marriage: that is, the bride and groom physically present to each other; to the properly delegated bishop, priest, or deacon who asks for and receives their marriage consent on behalf of the People of God; and to two witnesses who must enjoy the use of reason and whose only function is to verify that marriage consent was exchanged. If a Catholic is marrying a non-Catholic, and it seems desirable that the wedding take place in the non-Catholic's religious tradition, diocesan authority can dispense from canonical form. Catholics whose marriages originally were not celebrated according to the above expectations may have their marriages validated through "simple convalidation" (which means having a Church wedding after the original wedding) or "radical sanation" (a favor granted by the Catholic's bishop, recognizing the marriage retroactive to the original wedding).

The Catholic Church understands marriage to be a natural institution, built into the "natures" of men and women, prior to any consideration about one's choice of religion. Therefore, the Catholic Church presumes in favor of the marriages of all people, of any religion and no religion. This presumption may be overturned by proofs presented in a Church tribunal process.

Certain marriages which have ended in divorce may be dissolved by the proper Church authority. In almost all cases, these are marriages in which one party was unbaptized throughout the course of common life.

We teach that "consent makes marriage." The acts of the will of the bride and groom by which they agree to enter into marriage are essential to marriage, and cannot be supplied for by any other means. Declarations of nullity of marriage are the result of a painstaking process in which the history of the relationship is studied carefully by specially qualified Church judges. The basic question before the judges: Was some essential property missing in the consent of at least one of the parties?

Pope Francis himself, out of concern for people who have experienced divorce, and also for those among them who wish to enter a new marriage in the Catholic Church, promulgated revisions of the Church's procedural laws in 2015. For one thing, the petitioner's choice of possible tribunals to approach has been expanded; besides the tribunal of the diocese where the marriage in question took place, the petitioner may approach the diocese where either of the parties lives, or the diocese where most of the witnesses (not necessarily the "witnesses" mentioned in the second paragraph above, but people who can corroborate the parties' account of the relationship history) live.

Please contact the parish office, or the diocesan Office for Tribunal Services (217.321.1119), for further information about introducing petitions which could result in a declaration of freedom to marry in the Church.
