CANNED FOOD DRIVE

Our National Junior Honor Society and Student Council are collecting canned goods for the 3rd Annual Food for Families Food Drive. This Food Drive is a competition between local schools in which cash prizes are awarded to those collecting the most food (relative to school size).

Last year we collected 2,985 pounds of food, came in third place, and won \$250!

Help us reach our goal! This year we are aiming for the \$1,000 first place prize! **If every student brings in 25 cans between now and April 20th, we could win!** If you would prefer to send in cash, rather than cans, that works too! Simply put your money in an envelope marked "Food Drive" and send it to school.

Friendly Competition

The students in NJHS and StuCo will keep track of how much food each class contributes to the Food Drive. **The top three classes will win prizes!** The prizes are:

1st place: no homework night, non-uniform day, and an extra recess

2nd place: non-uniform day and an extra recess

3rd place: extra recess

March 27th- Leprechaun's Wand

What? You didn't know leprechauns had a wand? Well, neither did we! But we've got them and they are pretzel rods dipped in white chocolate. Maybe if you buy one, you'll get the leprechaun's magic!
